In recognition of the successful efforts in academic commitment, leadership, and personal challenges this nontraditional student has contributed in reaching his/her academic goals, please submit your nomination for the Nontraditional Student Recognition Award answering the questions below.

1. What is unique about this nontraditional student?
2. What is outstanding about this student's performance?
3. What challenges has this student successfully met as a "non-traditional" student while attending UND?
4. Give examples of how this student serves as a role model for his/her classmates, instructors, coworkers, or family.
